

## TUSKEGEE ENDOWMENT FUND.

Mr. T. Washington Addresses a Distinguished Audience in Pittsburgh.

Pittsburg, Pa., Special—Booker T. Washington, the brilliant Negro educator and founder of the Tuskegee Industrial Institute, addressed an overwhelming meeting in the interest of an endowment fund for his institute, at Carnegie Music Hall, Thursday evening April 19. Judge Joseph Buffington, of the United States district court presided, and the list of vice presidents and those of the meeting included the following among others: Judge J. H. Reed, Judge John H. Kennedy, Judge J. F. Slagle, J. B. Jackson, E. M. Ferguson, William McConway, Rev. M. B. Riddle, D. D., W. S. Huselton, G. W. Guthrie, J. Heinz, John Bindley, H. K. Porter, Albert J. Barr, Calvin Wells, R. Thompson, H. C. Frick, Charles Eckhart, Senator C. L. Magee, Senator William Flinn, Supt. Robert Pitman, C. M. Schwab, Director E. M. Aglow, Prof. John A. Brashear and Frank F. Nicola.

Mr. Washington at Tuskegee has from practically nothing built up an institute which has reached a wonderful development. The property now aggregates several hundred thousand dollars and the average attendance is over 1,000. To carry on this work successfully money is needed. Hitherto Mr. Washington has been raising this money individually among friends of the institute, but now seeks to establish an endowment fund, and is meeting with marked encouragement.

## DELINQUENT SUBSCRIBERS.

Read and Ponder Over the United States Court Decision—Newspapers Must Be Protected Against Intentional Fraud—If You Do Not Pay, The Court Will Take Care of You.

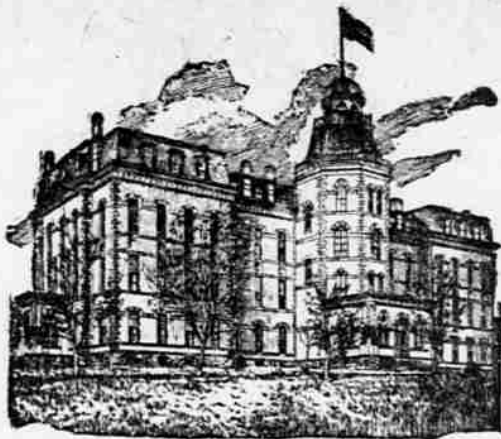

The following are the decisions of the United States Court on the subject of newspaper subscribers:

"(1) Subscribers who do not give express notice to the contrary are considered as wishing to renew their subscription. (2) If subscribers order the discontinuation of their periodicals, the publisher may continue to send them until all arrearages are paid. (3) If subscribers refuse or neglect to take their periodicals from the Post Office to which they are directed, they are responsible until they have settled their bills and ordered them discontinued. (4) If subscribers move to other places without informing the publishers and papers are sent to former addresses, they are held responsible. (5) The courts have decided that refusing to take papers from the office, or removing and leaving them uncalled for, is prima facie evidence of intentional fraud. (6) If subscribers pay in advance, they are bound to give notice at the end of the time, if they do not wish to continue taking it, otherwise the publisher is authorized to send it, and the subscriber will be responsible until an express notice, with payment of all arrearages is sent to the publisher."

Now, friends, it is good for you to read the above, because we have received several letters from some of our delinquent subscribers who are indebted to us for nearly two years, ordering the discontinuation of the paper without paying even the first year's subscription. This you cannot very successfully do, because the law is on our side, and while we do not want to enforce the law, we would like for you to remit us some money which will enable us to live a little longer. Those persons who are indebted to us know very well that The Kentucky Standard can not live if they do not settle their old bills.—Ky. Standard.

Mr. Samuel C. Hudnell of 2230 6th street, who has been very ill with pneumonia since his return from Chicago April 1st, is convalescent.

DOCTOR

SHEA'S

MARVELOUS

MEDIUM.

Gives the names of dead and living friends tells who and when you will marry also of business journeys lawsuits, absent friends health or anything you wish to know, no matter what it is. He can call up your spirit friends and show them to you. Can make them rap all around the room. He asks no questions don't ask you to write names for him. Don't try to pump you in any way, out tells you right off. He is thoroughly incensed by leading spiritualists everywhere, received from them a gold medal and special license to practice his wonderful powers; credentials no one else can show can give thousands of references to both white and colored patrons. Twenty-five years' practice—seven in Brooklyn—will show you that he can do all he of. Can tell what business is best for you and where, how to win speedy marriage with the one you love. How to be successful in all your doings in short what is best to do. He will succeed when all others fail. Positive satisfaction or no pay. Call and see. You will find it luck to consult this Christian gentleman. He has a medicine that will cure drunkenness; can be given patients not knowing it. Thousands through him are now

## RICH HAPPY AND SUCCESSFUL

with all their undertakings, while those who neglect his advice are still laboring again poverty. Through his perfect knowledge of chemistry he can impart to you a secret that will overcome your enemies and win you friends. His aid and advice has often been solicited; the result has always been the securing of speedy and happy marriages and all your wishes. In love affairs he never fails. He has the secret of winning the affections of the opposite sex.

It is the curse of Spiritualism that in all large cities there are a class of men and women who claim powers they do not possess. They have neither gifts, credentials, nor references. Surely the colored people are not so wanting in sense as to throw their time and money away on such. Dr. Shea refers to the Hon. Charles Miller, capitalist, 2881 Atlantic avenue; the Hon. William Deamore, architect and builder, 47 Cleveland avenue, and Mr. Arthur Sewell, ship builder South Brooklyn. All have known him for the past ten years. He gives a free test of his power to all. The doctor has practiced five years in New Orleans, St. Louis, Memphis and Louisville, understands thoroughly the diseases, spells or influences the race is subject to. He has now and always had large patronage from them.

## PLEASE READ THE FOLLOWING:

Brooklyn, August 15, 1891—This letter is to certify that I came to New York from Albany. I was a stranger in a strange city, out of work and out of money. I had no luck in anything I undertook. What to do I did not know. A friend advised me to go and see Dr. Shea. I did. He told me the cause of my troubles; he took me in and treated me as a brother. Through him I got a good position that very week. I had been to others, they took my money and did me no good. I bless the day I first met Dr. Shea. I would advise all in bad luck, sick or in trouble to go to him at once.

Sincerely,  
Albert Ayers,  
2937 Atlantic Avenue.

Brooklyn, August 15, 1891—This letter is to certify that my husband had gone away and had been absent two years. I mourned for him night and day. I gave him up as dead. Hearing of the wonderful things Dr. Shea was doing I resolved to consult him. He told me that my husband was alive and well and where he was; told me he would come home and when. To my joy all of it came true. He is home now, came back like one from the dead. I also wish to say that this month I lost \$250. I am a poor woman and I was almost insane. I went to Dr. Shea and he told me I would find my money and to my intense joy I find it as he told me. I thank God there is a man so gifted in our midst, that can help people and tell them what to do.

Mrs. Mary Miller,  
South Plainfield, N. J.

## A SENSATION IN BROOKLYN—MINISTER'S STATEMENT

I wish to state that one of my parishioners was sick and in trouble for a long time, Mrs. Brown, 37 Gay street. No one seemed to understand her case. She had several doctors but none of them seemed to know what was the matter. None could do her any good. It was my duty as her pastor to call and see her. Hearing of the wonderful work being done by Dr. Shea the last few years, I thought I would call and see him myself. I found him a sympathetic gentleman. He gave me a wonderful test of his powers, told me to send him a lock of patient's hair, which I did by her daughter. He told at once what was the matter, and in a short time cured her sound and well. Her family had seemingly been under a cloud. Now all is changed. All are well and prosperous. I can truly and heartily recommend Dr. Shea, to all those in sickness or distress of any kind. Rev. William Johnson, pastor Lebanon church, Brooklyn.

Dr. Shea can show thousands such as the above.
